that germany's schools ranked below the average for the PiSa countries now, 10 years into the 21st century, germany has substantially improved its position in the PiSa league tables this chapter explains how germany could have so misjudged the relative quality of its education system, how it could

The League of Nations: a retreat from international law?*

After Germany had brazenly violated Belgian neutrality, a crisis of confidence afflicted international law. The belief that 'public opinion' sufficed as law's sanction was especially shaken. Some responded by turning away from law and toward politics, the move of the League's architects and some jurists. Others,

SOCCER - Web Japan

new league's 10 participating teams were announced, and by July of the same year, the name was announced: the Japan Professional Football League, or J League for short. In Japan, the sport known in most countries as football is typically referred to as soccer, to differentiate it from American-style which also enjoys a limited following.
